

## Dr. Ferechteh Teherani

# Honoring Professor RAZEGHI Manijeh

Submitted by Dr. Ferechteh Teherani

Professor Razeghi is the most amazing woman I have ever met. As a Professor and scientist, she has been sharing, teaching and training scientists with passion, generosity and patience. As a human being, she always targets the best and challenges the others to do the same. The beauty of Professor's mind is reflected by the excellence of her achievements.
