

# *The Ludo Frevel Crystallography Scholarship*

International Centre for Diffraction Data  
*is honored to present a 2010 scholarship award to*

**Can Bayram**

*to pursue crystallographically-oriented research.*

*The International Centre for Diffraction Data (ICDD) established the Crystallographic Scholarship Program in 1991. Later renamed to honor the founder of the fund, Dr. Ludo Frevel, the scholarships support the education and research of graduate students in the science of crystallography and related fields.*
