Dear Mr. Huang:

On behalf of SPIE—The International Society for Optics and Photonics, its Board of Directors, and the 2012 Scholarship Committee, I am pleased to announce that you have been awarded an SPIE Scholarship in Optics and Photonics in the amount of \$3000. Congratulations!

We trust that this award will help with your research expenses and/or conference participation as you pursue your educational and career goals in optics and photonics.

To assist the Society in tracking the use of valuable scholarship resources, we ask that you submit a short report within 12 months that describes how you used the award. A reporting form is available online at <http://spie.org/scholarships> or contact scholarships@spie.org for more information.

Again, congratulations and best wishes for a successful career in optical science and engineering!

Sincerely,

Eustace L. Dereniak
2012 SPIE President
