Wenjia Zhou
Department of Electrical Engineering and Computer Science
Northwestern University
Evanston Campus

Dear Wenjia,

Congratulations! I am happy to inform you that you have been awarded a Terminal Year Fellowship for 1 quarter during the 2018-2019 academic year. Funding will be provided from an endowment fund. The fellowship consists of a contribution of \$2,683/month toward your stipend and will cover TGS 500 tuition registration (\$4,510/quarter).

Given that this is a terminal year fellowship, we expect you to graduate no later than June 2019. As such, the fellowship can only be used in Fall 2018, Winter 2019 or Spring 2019, but not beyond.

Later this year we will ask you to write a paragraph about your research which the Office of Alumni Relations and Development will forward to the donor of the endowed fellowship so that the donor is kept aware of how their funds were spent.

We wish you success with your dissertation research!

Sincerely,

Linda J. Broadbelt
Associate Dean
